

Arima Onsen

有馬温泉

Arima Onsen has been a hot-spring resort representative of Western Japan since ancient times. The streets have the traditional atmosphere of old Japan. Enjoy a trip to the famous hot-spring dubbed "Kansai's back parlor".

Arima Onsen

Arima Onsen is regarded as the oldest hot spring in Japan. It's unique in the world, too, because it has as many as seven components, including simple thermal, carbon dioxide, and bicarbonate springs. There are also many bath facilities and you can enjoy various hot springs with different qualities in a single stay.

Stay in Arima Onsen, and enjoy the splendid "million dollar night view" of Mt. Rokko.

Only **500** yen for the round trip ticket (normally 1,770 yen) for Rokko Arima Ropeway!! (per person)

Kobe is famous as the city with a beautiful night view. To enjoy the night view of streets in Kobe, we recommend taking the direct ropeway from Arima Onsen to the peak of Mt. Rokko. We offer an attractive round ticket for the ropeway by 500 yen.
(For more information, please contact our staff.)
