

# O2 Blueberry Biophotonic Mask

Let your skin breathe free of impurities with our powerful O2 Blueberry Bio photonic Mask. Our natural concentrated charcoal sheet purifies the skin. It revitalizes tired looking skin, enhancing complexion & glow whilst leaving skin smooth.

### Directions to use:

1. After cleansing the face, open the pouch.
2. Apply the mask sheet to the dry face gently, avoid eyes & lips area.
3. Relax for 10-15 minutes, wait for the oxygen bubbles to rise.
4. Gently massage the bubbles foam onto your skin to clean impurities.
5. Remove the mask after 15 minutes.
6. Rinse the face with lukewarm water. Apply skincare products or a hydrating mask for maximum care.

For best results, use 2 - 3 times per week. Products made in Italy. 5 piece pack.
